FRIDAY, DEC. 23, 1898.

The passing away of a man like John H. Mills is an event of great moment in North Carolina. He has added immensely to her glory by his life of self-sacrificing toil; yet our leading journals give four times the space to a match game of base ball, that they gave (with a few exceptions) to the grand lesson his life has left us.—Charity and Children.

Brother Johnson took the words almost out of our mouth. Scandals, political and otherwise, are given columns of space. Base ball, prize fights and foot ball are given whole pages, in some instances; yet the grim reaper comes along and bears away one of the state's brightest lights, a man who has given his life to a cause that should lie close to every man's heart, and little attention is given the incident.

Some of the higher priced newspapers think the morning Post and Durham Sun have made a mistake, in reducing their subscription price. In the language of the Charlotte Observer, "it is none of our business" but as that paper seems to think there is not in North Carolina a sufficiently large reading population to justify the putting out of this exceedingly cheap literature, we desire to make the point that the demand is not likely to be increased as long as high prices are maintained. The present demand is already supplied and the way to increase business is to increase demand. In the newspaper field we believe this can only be accomplished by introducing popular prices. Believing in this the subscription of the Telegram was placed at \$3 per year when the paper began business, and as yet, we do not regret it.

Two Pointed Questions Answered.

What is the use of making a better article than your competitor if you can not get a better price for it? Ans.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.

How can you get the public to know your make is the best? If both articles are brought prominently before the public both are certain to be tried and the public will very quickly pass judgment on them and use only the better one. This explains the large sale of Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon. They may occasionally take up with some fashionable novelty, but are certain to return to the one remedy that they know to be reliable, and for coughs, colds and croup there is nothing equal to Chamberlain's Cough Remedy. For sale by C. E. Holton.

Killed on a Crossing.

Reidsville, N. C., Dec. 22.—Zach McBride, a white man who lived here, was killed today by a freight train on a street crossing. Deceased was fifty years.

Marchand Leaves Fashoda.

Constipation prevents the body from ridding itself of waste matter. Dr. Witt's Little Early Risers will remove the trouble and cure Sick Headache, Biliousness, Inactive Liver and clear the complexion. Small, sugar coated, do not gripe or cause nausea. Howard Gardner.

The mustering out of three companies of the Second Virginia Regiment at Richmond, finishes the disbanding of the command.

Pains in the chest when a person has a cold indicate a tendency toward pneumonia. A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the chest over the seat of pain will promptly relieve the pain and prevent the threatened attack of pneumonia. This same treatment will cure a lame back in a few hours. Sold by C. E. Holton.

Frederick von Hartman, son of Baron von Hartman, of Germany, has been sentenced to five years for burglary in Kalamazoo county, Mich.

A cough is not like a fever. It does not have to run a certain course. Cure it quickly and effectively with One Minute Cough Cure, the best remedy for all ages and for the most severe cases. We recommend it because its good. Howard Gardner.

W. S. Jewett, former president of the Lake National Bank, Wolfboro, N. H., has been convicted of embezzling \$25,000 of the bank's funds.

Overcome evil with good. Overcome your coughs and colds with One Minute Cough Cure. It is so good children cry for it. It cures croup, bronchitis, pneumonia, grippe, and all throat and lung diseases. Howard Gardner.

LINNEY TELLS A STORY.

We May Have to Hire Somebody to Take the Philippines.

Washington, Dec. 22.—Representative Linney has come out flat-footed against annexation of the Philippines. When the question was before the house the other day he asked a representative how many islands were in the group. Some one responded "about 400." Another said from 700 to 1,000. Some one else correcting that statement said official figures obtained at the war department showed that so far between 1,100 and 2,000 had been counted. Mr. Linney used this to show the lack of information in congress in regard to the new territory.

Mr. Linney says these islands remind him of a watch owned by a man named Parlee Robertson, in his district. Parlee kept the watch in his window for ten years marked \$10. No one appearing anxious to purchase he came, and the price dropped to \$1. Finally, in despair, he placed a dollar on top of the watch and succeeded in selling the outfit for fifty cents. Mr. Linney thinks we may have to place a few dollars on the islands to get rid of them.

JUDGE WHITAKER DISCHARGED.

Committee Who Investigated His Qualifications Reported Adversely.

It was announced in the dispatches of the Post last night that ex-Judge Spier Whitaker, who is a major in the Sixth United States Volunteer Regiment of Immunes, had received a discharge. It now appears that Major Whitaker did not voluntarily withdraw from the army.

It seems that he was discharged with one month's pay and allowances on the adverse report of a board of officers appointed to investigate his qualifications for the position. Major Whitaker was Senator Pritchard's appointee.

This will be surprising news here. Ex-Judge Whitaker served in the Confederate army, and he was thought to be a well drilled and equipped soldier.

It will be remembered that ex-Judge Whitaker was an applicant for an appointment as brigadier general and also as colonel of the First North Carolina Regiment.—Morning Post.

Chamberlain's Colic, Cholera and Diarrhoea Remedy can always be depended upon and is pleasant and safe to take. Sold by C. E. Holton.

Late to bed and early to rise, prepares a man for his home in the skies. But early to bed and a Little Early Riser, the pill that makes life longer and better and wiser. Howard Gardner.

Yellow Jaundice Cured.

"Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: 'This is to certify that I was a terrible sufferer from yellow jaundice for over six months, and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours. M. A. Hogarty, Lexington, Ky.' Sold by C. E. Holton, druggist.

Discovered by a Woman

Another great discovery has been made, and that too, by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery by purchasing of us a bottle of Dr. King's New Discovery for consumption, and was much relieved on taking first dose that she slept all night; and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hammick & Co., of Shelby, N. C. Trial bottles free at C. E. Holton's drug store. Regular size 50 cents and \$1.00. Every bottle guaranteed.
